

Friends of Paraguay Meeting Notes
Sunday, November 12, 2006 @2:00 pm
6203 Cloud Drive, Springfield, VA 22150

Attendees: Kent, Julie, Janice, Pablo, Patricio, Jim Feaster

1. Approved Minutes from last meeting
2. Financial Report (attached)
3. Mailbox News – no mail to speak of. Pablo has key and will check.
4. E-ñanduti – Next newsletter scheduled for January.
5. Membership Data Base – Self maintaining.
6. Website Updates – Patricio doing a fantastic job!
7. Revisiting Website Advertising – Decided that since it was not on mission and would be too difficult to maintain/update given the lack of resources, we would not get into advertisements/endorsements.
8. FOP e-mail – Jeanne Bell is monitoring and forwarding as needed.
9. Happy Hour/Speaker Events – On hiatus until spring
10. 45th Anniversary – Result of survey for dates people would be interested in going to Paraguay was not overwhelming. We will contact PC/Paraguay and let them know that FOP will not be coordinating a group trip. If there are anniversary events scheduled, PC Paraguay should let us know and we can get the word out to interested members.
11. Funding Projects in Paraguay – We want to get back to the small project funding that FOP has traditionally supported. When we do our membership drive, in honor of the 40th anniversary of PC in Paraguay we want to encourage people to donate to some of the projects we supported in past (Andrea Ritz Clinic, Jay Burhans, etc.) and give an update on them. Julie will contact George Ritz about the Andrea Ritz Clinic. There is also the Clyde Bay Foundation and the Women’s Scholarship Fund. Janice will get info on Scholarship Fund. Revisit at next meeting.
12. National Council – New membership fee structure – 1 year membership only. Groups should update their membership forms with NPCA info.
